Sergio School of Trucking strives to educate and train students to become professional commercial drivers for the transportation Industry in the United States. This is accomplished through classroom training using written material, video, visual aids. The second phase includes practical experience in and around the tractor and trailer.

All services include:

- 1- Sergio School of Trucking Handout
  - Includes detailed instructions on how to perform the air brakes and pre-trip inspection
  - Also includes: General knowledge, air brakes, combinations, doubles and triples, and hazardous materials written exams.
- 2 - Practice written exams
- 3 - Hands on training including:
  - Air Brakes Inspection
  - Pre-Trip Inspection
  - Skills: Straight line backing, offset back (right & left) parallel park ( driver side & conventional), and alley dock.
  - Driving : on the street and freeways
- 4- Job placement Assistance

We offer placement services providing students with access to a vast employment sector with serious shortages of qualified applicants. Income and benefit levels are excellent and provide stabile career opportunities for the successful school graduate.

- We do not charge the student an additional fee for this service
- We do not charge companies to send drivers; therefore you are not under no obligation to stay with a company you are not happy with .
